YOUR LEAGUE
NEEDS **YOU!**

Did you know, an alarming number of matches each season are played with only one Umpire?

Finished your playing days?

At a loose end each Saturday?

Why not give umpiring a try? You're always involved and you have the best view in the park.

Training not essential, but will be provided for anyone wishing to undertake it.

If you are interested, why not get in touch with Alan McGarry or Nigel Whitehead.

Go on, clean up that white stick and dust off that hearing aid!

SECTION M DISCIPLINARY RULES

The North Staffs & South Cheshire Premier Cricket League endorses and incorporates the ECB Code of Conduct and the MCC Spirit of Cricket in its Rules.

Failure to comply with the provisions mentioned in the Code of Conduct or the Spirit of Cricket above may lead to disciplinary action.

M1. CODE OF CONDUCT

The ECB and The League is committed to maintaining the highest standards of behaviour and conduct. This Code of Conduct incorporates the Spirit of Cricket, as set out below. It applies to all matches played under the auspices of the ECB and The League and may be applied to cricket in general.

The captains are responsible at all times for ensuring that play is conducted within the Spirit of Cricket as well as within the Laws.

Players and team officials must at all times accept the umpire's decision. Players must not show dissent at the umpire's decision or react in a provocative or disapproving manner towards another player or a spectator.

Players and team officials shall not intimidate, assault or attempt to intimidate or assault an umpire, another player or a spectator.

Players and team officials shall not use crude and/or abusive language (known as "sledging") nor make offensive gestures or hand signals nor deliberately distract an opponent.

Players and team officials shall not make racially abusive comments nor indulge in racially abusive actions against fellow players, officials, members and supporters. Clubs must operate an active open-door membership policy whilst respecting player qualification regulations and welcome players/members irrespective of ethnic origin.

Players and team officials shall not use or in any way be concerned in the use or distribution of illegal drugs.

Clubs must take adequate steps to ensure the good behaviour of their members and supporters towards players and umpires. Any club found to be in breach of the ECB Code of Conduct may be expelled for the current and future seasons.

M2. THE SPIRIT OF CRICKET

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws, but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the captains.

RESPONSIBILITY OF CAPTAINS

There are two Laws which place the responsibility for the team's conduct firmly on the captain. Law 41 & Law 42. The captains are responsible at all times for ensuring that play is conducted within the Spirit of the Game as well as within the Laws.

a) PLAYER CONDUCT

Why is player behaviour so important?

The Laws and the Spirit of Cricket are there to ensure that all 22 players and umpires enjoy a game that, although played competitively, is always played fairly.

Whatever someone's role in the game is, everyone has a responsibility to ensure that the Laws are upheld and that we don't tolerate any form of poor player behaviour.

Remember that poor behaviour detracts from the enjoyment of playing the game and causes additional work for volunteers by taking them away from supporting other areas of the game.

Setting the Tone

It is important to remember that captains are responsible for the behaviour of their players and umpires have always worked with them to achieve this. However, Law 42 now allows non-playing umpires to act on any unacceptable on-field conduct.

Working together, non-playing umpires will agree that the incident constitutes unacceptable behaviour and decide on what level has been breached.

In the absence of non-playing umpires, captains are to agree the tone for player behaviour in that game.

Player's Conduct

In the event of any player failing to comply with the instructions of an umpire, criticising his decision by word or action, showing dissent, or generally behaving in a manner which might bring the game into disrepute, the umpire concerned shall in the first place report the matter to the other umpire and to the player's captain, requesting the latter to take action. The umpires may intervene at any time, applying Law 42 (Players' Conduct) when deemed appropriate, and it is the responsibility of the captain to take action where required.

Violence

There is no place for any act of violence on the field of play.

Players

Captains and umpires together set the tone for the conduct of a cricket match. Every player is expected to make an important contribution to this.

The Spirit of the Game involves RESPECT for:

- Your opponents
- Your own captain and team
- The role of the umpires
- The game's traditional values

It is against the Spirit of the Game:

- To dispute an umpire's decision by word, action or gesture
- To direct abusive language towards an opponent or umpire
- To indulge in cheating or any sharp practice, for instance
 - a) appeal knowing the batsman is not out
 - b) advance towards an umpire in an aggressive manner when appealing
 - c) seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one's own side.

b) UNFAIR PLAY

According to the Laws the umpires are the sole judges of fair and unfair play.

Preamble – The Spirit of Cricket, as well as within the Laws, in particular the following areas covered by Law 41

The umpires are authorised to intervene in cases of:

- Unfair actions
- The Match Ball – Changing its condition
- Deliberate attempt to distract striker
- Deliberate distraction, deception or obstruction of batsman
- Bowling of dangerous and unfair short pitched deliveries
- Bowling of dangerous and unfair non-pitching deliveries
- Bowling of deliberate front-foot No ball
- Time wasting by the fielding side
- Batsman wasting time
- The protected area
- Fielder damaging the pitch
- Bowler running on protected area
- Batsman damaging the pitch
- Striker in protected area
- Non-striker leaving his/her ground early
- Batsmen stealing a run

M3. AIMS AND JURISDICTION

These rules shall apply to any player who plays for any club at any level under the auspices of the ECB and are intended to

provide assistance and uniformity to all Clubs and Leagues in dealing with any alleged breach of the ECB Code of Conduct and Spirit of Cricket.

It is intended that any breach of the Code of Conduct, Spirit of Cricket or League Rules should in the first instance be dealt with by the player's club who shall notify the League Manager of the result of any action taken against its player.

M4. LEVELS, OFFENCES AND SANCTIONS

The consequences of these offences are split into four levels, with specific sanctions for each level.

Sanctions for unacceptable behaviour range from a warning for a Level 1 offence, through to the non-playing umpire directing the captain to remove an offending player from the field for the remainder of the match for a Level 4 offence.

All levels of offence require a non-playing umpire to complete a mandatory report, to the League, in addition to the on-field punishment.

Full details of the offences are listed under MCC Law 42, a copy of which is on the League website.

LEVEL 1 - OFFENCES

Abuse of the ground and/or equipment

Deliberately hitting the stumps, deliberately throwing cricket bat, wilful damage to the ground, wilful damage to dressing room or windows, wilful damage to the sightscreens or other equipment.

Aggressive/excessive appealing

Running towards the umpire, sustained appealing from a single delivery or using aggressive language or gestures while appealing.

Obscene, offensive and insulting language and gestures

The umpire is responsible for deciding if language or gestures are obscene or offensive. If any one person regards language or a gesture as obscene or offensive, then the umpire will regard it as such.

Dissent

Showing dissent at an umpire's decision by word or action.

Any other misconduct

This covers any other misconduct, the nature of which is, in the opinion of the umpires, equivalent to a Level 1 offence

LEVEL 1 - SANCTIONS

- 1) For a first offence, a first and final warning applies to the whole team for the remainder of the match
- 2) A second and all further offences will result in 5 Penalty runs to the other team

LEVEL 2 - OFFENCES

Inappropriate and deliberate physical contact

Intention to cause a collision or tripping, barging or pushing another player.

Throwing the ball at someone

In the umpire's opinion, a ball is deliberately aimed at someone or is inappropriate or dangerous.

Obscene language or gestures aimed at someone

The difference between Level 1 and Level 2 is that for a Level 2 offence the umpire believes that the language or gesture was specifically aimed at a targeted individual.

Serious Dissent

Showing serious dissent at an umpire's decision by word or action.

Any other misconduct

This covers any other misconduct, the nature of which is, in the opinion of the umpires, equivalent to a Level 2 offence

LEVEL 2 - SANCTIONS

- 1) 5 Penalty runs awarded to the non-offending team.
- 2) The offence also counts as a first warning for any future Level 1 offence in the same game. A first and final warning applies to the whole team for the remainder of the match

LEVEL 3 - OFFENCES

Intimidating an umpire

Any act by a player, short of violence, which is intimidating towards an umpire is a Level 3 offence. Examples would be moving threateningly into the umpire's personal space, moving towards an umpire in a threatening manner, or using language which is aimed at intimidating the umpire.

Threatening to assault another player, team official or spectator

Any physical gesture or language which threatens an assault on the specified individual(s) is a Level 3 offence.

LEVEL 3 - SANCTIONS

- 1) The player is required to be removed from the field for a predetermined period of time. The umpires will calculate the period of time and advise the team captain and explain what happened when the player returns.
- 2) 5 Penalty runs awarded to the non-offending team.
- 3) The offence also counts as a first warning for any future Level 1 offence in the same game. A first and final warning applies to the whole team for the remainder of the match

LEVEL 4 - OFFENCES

Threaten to assault an umpire

Make inappropriate and deliberate physical contact with an umpire

Physically assault another player or any other person

Commit any other act of violence

LEVEL 4 - SANCTIONS

- 1) The player is required to be removed from the field of play immediately and will not be allowed to take any further part in the match
- 2) If a batsman, they are deemed retired. If a member the fielding side they will not be allowed a substitute
- 3) 5 Penalty runs awarded to the non-offending team.
- 4) The offence also counts as a first warning for any future Level 1 offence in the same game. A first and final warning applies to the whole team for the remainder of the match

ALL LEVELS OF OFFENCE REQUIRE:

- a) The umpire must notify the player and his captain or an official of the player's club on the day of the match, prior to leaving the ground.
- AND**
- b) A non-playing umpire to complete a mandatory report, using the online form on the League website, emailing the League Manager or contacting the Umpires' Manager, as soon as possible after the match

Level 3 or 4 Match Offences will automatically be subject to a full Disciplinary Hearing.

As a guideline, in addition to all of the above Match Sanctions, additional disciplinary penalties should be expected to be imposed for any breach, complaint referred and, if appropriate, proved at a disciplinary hearing. The higher end of the tariff band is most likely to be reserved for serial offences/offenders:

Level 1 - Final warning to 6 matches and/or appropriate/equivalent time ban

Level 2 - 2 to 8 matches and/or appropriate/equivalent time ban

Level 3 - 4 to 10 matches and/or appropriate/equivalent time ban

Level 4 - A minimum of 10 matches and/or appropriate/equivalent time ban

What happens if a captain does not do as asked?

When the non-playing umpires agree that a Level 3 or 4 offence has been committed, it is expected that the captains, responsible for implementing the required actions, will carry out their duties. If they do not, the Laws require the umpires to do the following:

- **If one captain refused**

Award the match to the other team.

- **If both captains refuse**

Instruct the players to leave the field. There is no result nor is the match concluded.

M5. SOCIAL MEDIA POLICY

- a. Players and club officials shall not make any public or media comment which is detrimental to the League, clubs, umpires or the game in general. In this instance, media shall include press, radio, television, external websites, club websites, social networking sites (such as Twitter and Facebook etc) and club match programmes.
- b. For the avoidance of doubt, any posting includes the sharing, retweeting, repeating of comments or posts made by another party.
- c. The deleting of any inappropriate content, whilst advisable, does not of itself prevent disciplinary action being taken.
- d. Any matter involving the above and referred by the League Manager or Executive Committee will be investigated and dealt with under the League Breaches Procedures and may result in Disciplinary Penalties being imposed.

M6. MUTUAL RECOGNITION CLAUSE

It is intended that Leagues will work with Minor Counties and County Boards to ensure these Disciplinary Guidelines have the greatest effect.

The first section refers to the sharing of information between cricket bodies and also advises the players this will happen.

The League shall report match bans in writing to the relevant club's County Board, who will also inform the ECB, in accordance with the conditions set out at a) to c) below. In the case of a Minor County Player being the subject of a sanction the Minor County Cricket Association must be advised. The League will also inform any other League it considers appropriate e.g Stone & District League and Kidsgrove League

- a. Information about penalties imposed under these discipline regulations shall be shared with individuals at the club and County Board on a need to know basis, for example with individuals who need to be informed in order to give effect to the

- penalty.
- b. Information about match bans held by the County Board shall be shared with other clubs only for the purposes of ensuring recognition of penalties by other clubs.
 - c. Individuals subject to these discipline regulations must be made aware by their clubs that by playing in matches under the jurisdiction of the ECB, they agree that information about penalties imposed on them will be shared with the County Boards, ECB and other clubs in accordance with these discipline regulations.

The second section refers to the recognition of penalties imposed by others. The wording above has been agreed with ECB lawyers and the Cricket Discipline Commission and as a consequence it is appropriate for each League to add to the second section, highlighted below, to read as follows: -

- d. All clubs that play in ECB competitions or in County Board Affiliated Leagues shall recognise and give full effect to any match ban, and/or any other penalty, imposed pursuant to by these discipline regulations by a League within that County Board boundary and the boundaries of the listed neighbouring Counties and Leagues The League will also inform any other League it considers appropriate e.g The Stone & District League and Kidsgrove League

GET THE **GAME ON**

Here's how the ECB and County Boards will help you to get the Game On.

- We will be targeting a core group of leagues and looking at innovative format changes to help more games get played.
- Alongside leagues, we'll be engaging with captains, coaches, groundsmen and umpires early in the season to find ways of getting games on.
- There will be free downloadable resources, tools and helpful advice throughout the season at getthegameon.co.uk for both leagues and clubs to use.
- Throughout the 2019 season, we will be recognising and celebrating the leagues, clubs and people who have overcome challenges to get the game on and made a real difference.
- We are building and providing training to help track progress nationally and locally on a week-by-week basis to help leagues support clubs in real time.
